Familiar sights at East Side High, the Construction/Renovation of Building C.

As our four years at East Side come to an end, we will still be witnessing the completion of East Side. The last phase is the completion of Building C.

The reopening of school was delayed until September 15, 1981. This meant another week of summer! Some seniors split to the shore; some went back to work; and there were some who could not wait to get back to school. Finally, school did reopen and our senior year began. When renovation of Building C is finished, we will see the completion of our school. Until then, however, we've got construction going on . . .

An interesting architectural detail from the older part of Building C.

Summer Vacation "81"

It was the summer before our senior year, a summer that couldn't be compared to any other, once it was over our senior year would commence.

Many of us spent the summer hanging out or working. Then there were the lucky ones, those who went to Europe. Two such seniors were Carlos Couto and Paul da Silva. Both visited Portugal during the summer months. What they experienced they brought back to share with us.

They visited one of the oldest monasteries in Europe, "The Monastery of the Batalha," this monastery holds many old artifacts from Portugal's history. From the monastery we go to one of the oldest cities in Portugal, Coimbra. This famous city is well known for its university.

What is a trip to Portugal without a visit to Lisbon, the famous port and capital of Portugal. In this marvelous city there is plenty to see. There are live bullfights held every Sunday during the summer.

Another senior, Adolph Vazquez visited various parts of Mexico, such as Mexico City and the island of Cancun. With all of these places to visit time went by fast, and soon Paul, Carlos and Adolph found themselves on their way back to the United States and the beginning of their senior year.

We've Got the Look!

The stage is now quiet, the janitor picks up a program that was left behind. He glances through it. He hears the clapping and cheering of last night's performance once again . . . "Ladies and Gentlemen welcome to 'We've Got the Look,' a fashion entertainment show produced by the Junior Class of East Side High."

"Your commentator for tonight's show is your Junior Class President, Mary Ann Kyzima. Fashions are being modeled by our own guys and gals. They are dressed in casual clothes, Easter dresses, summer wear, and sophisticated clothes. The guy's clothing is being supplied by 'Pappillon' and 'Gentlemen's Shop'. 'The Designer Store' and 'Mandees' are supplying the gal's clothing. We hope our show will leave you wanting for more. So sit back, relax and enjoy!"

We've Got Many Moods ...

East Side has had them all, the lonely, the friendly, the shy, the conservative, and the zany. They have all left marks in someday or another. The 1982 class has been no exception to this rule.

East Siders, like all people have their own special moods. Some change, some stay constant and others are all mixed up. Regardless of all circumstances these times are special and bring back many memories. We've got the sad ones, quiet and lonely ones, happy and sometimes crazy ones, along with discreet and mysterious ones. Yes we've got the many moods ...

We've Got The Talent

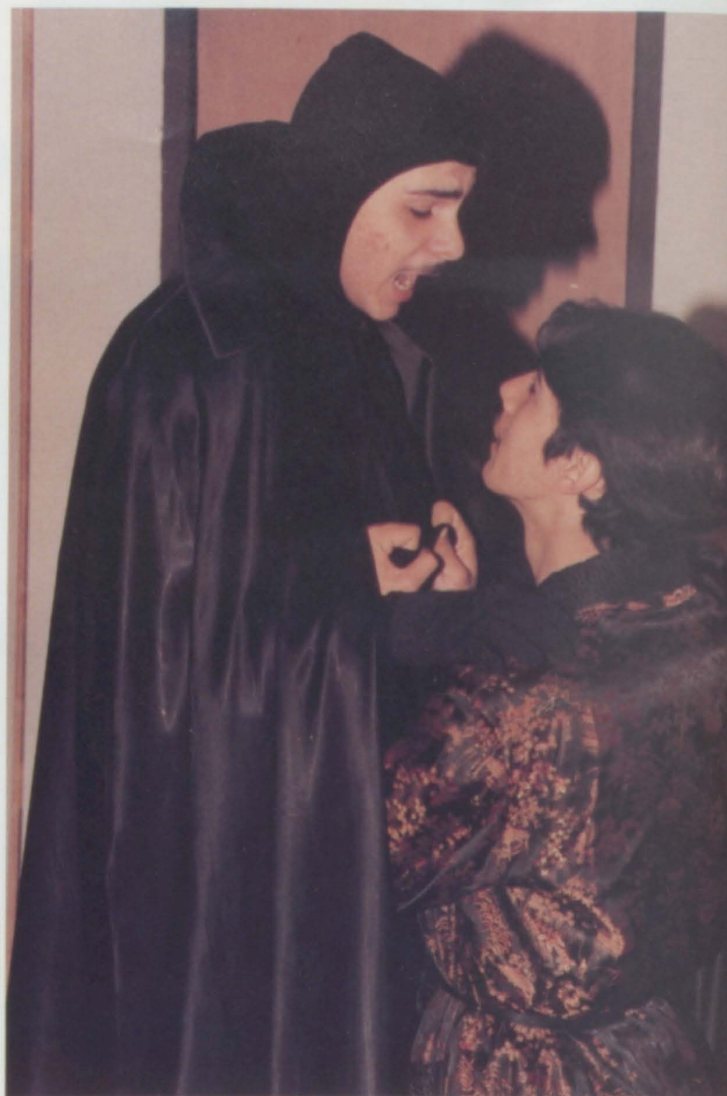

Some of the actors were pacing nervously and mumbling lines while others put the finishing touches on the set. Actresses checked their make-up and others attended to costumes and props. Then the director shouted, "Places everyone!" The movement and the noise came to a sudden stop, the lights came on, and the curtain opened.

It was opening night for the East Side Drama Club and their presentation of three-one act plays. The plays performed this year spotlighted such great playwrights as Neil Simone and Woody Allen. Simone's "Plaza Suite" had the audience in stitches as they watched Roy and Norma desperately trying to get their frightened daughter to unlock the bathroom door, come out, and get married.

Then we cheered for Nat Ackerman as he played cards with "Death", to win more time on earth in Woody Allen's, "Death Knocks".

On a more serious note, "No Lullabye for me" showed the struggle that one woman had in deciding whether or not to keep her new born. In each play the actors and actresses gave performances comparable to off-Broadway productions.

From the choice of the play to the final curtain call, East Side's Drama Club is one of the most exciting, creative and rewarding classes East Side has to offer.

We've Got It Here!

As our senior year comes to a close, we look back at the past four years. It seems as if only yesterday, we were walking through the doors to a new beginning — high school. Each of us experienced different feelings, fear, anxiety, and excitement. However, we made it through, because we've got what it takes.

By our sophomore year, we were old pros. Looking down at the freshman with relief that we were not in their shoes, and looking up at the juniors wishing we were there. Junior year rolled by. We were becoming one big happy family. We were going to be the graduating class of 1982.

Finally our year, Senior year, turned the corner. What a year:

- The Fifties Dance
- Senior Picnic
- Banquet
- Farewell Dance
- and GRADUATION DAY!

This will soon be gone, left behind us and stored within our memory. Our years at East Side will be but a chapter in our life stories. There will be memories, both good and bad, regrets, laughter, tears, and life long friends.

These years at East Side have been super! There are not enough words to describe them, because we've got it here, and only here at East Side.

We've Got the Working Class

When we finish high school we are off into a new world. Many of us will continue our education and go on to college. Some will join the armed forces and some will get married. Then there is the working class, the seniors who plan to work after graduation. Some of us already have a head start, at the mini-mall, our fellow seniors can be seen working.

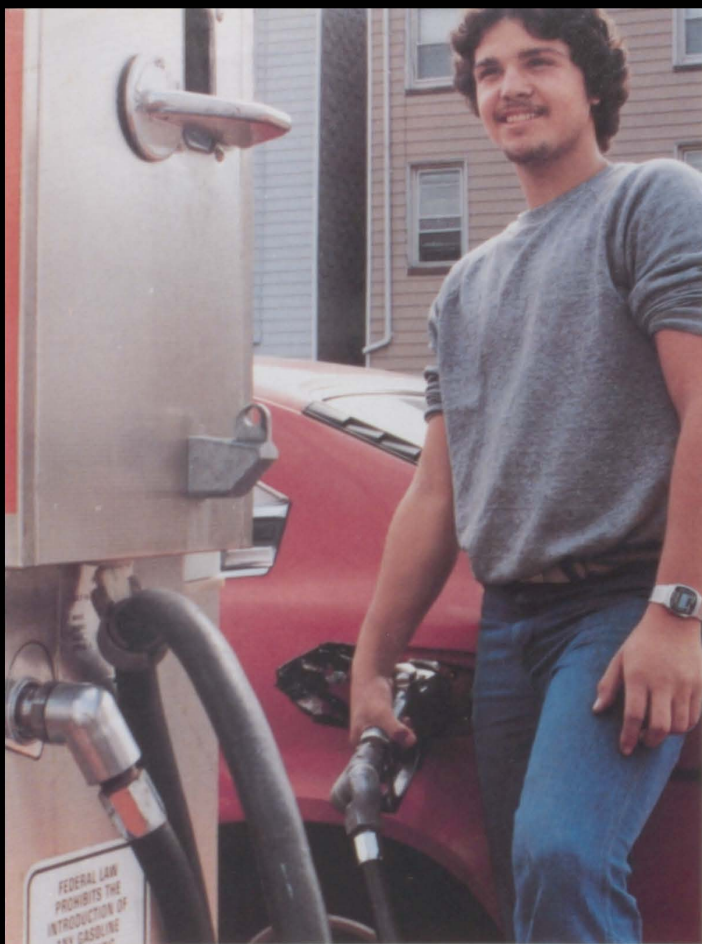

Working part-time after school and on weekends can sometimes be a hassle, but in the long run it pays off. Experience is gained, responsibility is acquired and those paychecks surely bring on a smile.

In Recognition

Diego C. Asencio was born on July 15, 1931, in Nijar, Almeria, Spain. He graduated from East Side High School in January, 1949. Upon graduation he ranked seventh in a class of one hundred and four. While at East Side, Diego served two terms as President of the Spanish Club, received the Physics Award, participated in various plays, and was a member of the Drama Club and National Honor Society.

In 1952, Mr. Asencio graduated from Georgetown University and served in the U.S. Army from 1955 to 1957. In 1957 he joined the Foreign Service. From 1977 to 1980, he served as U.S. Ambassador to Columbia.

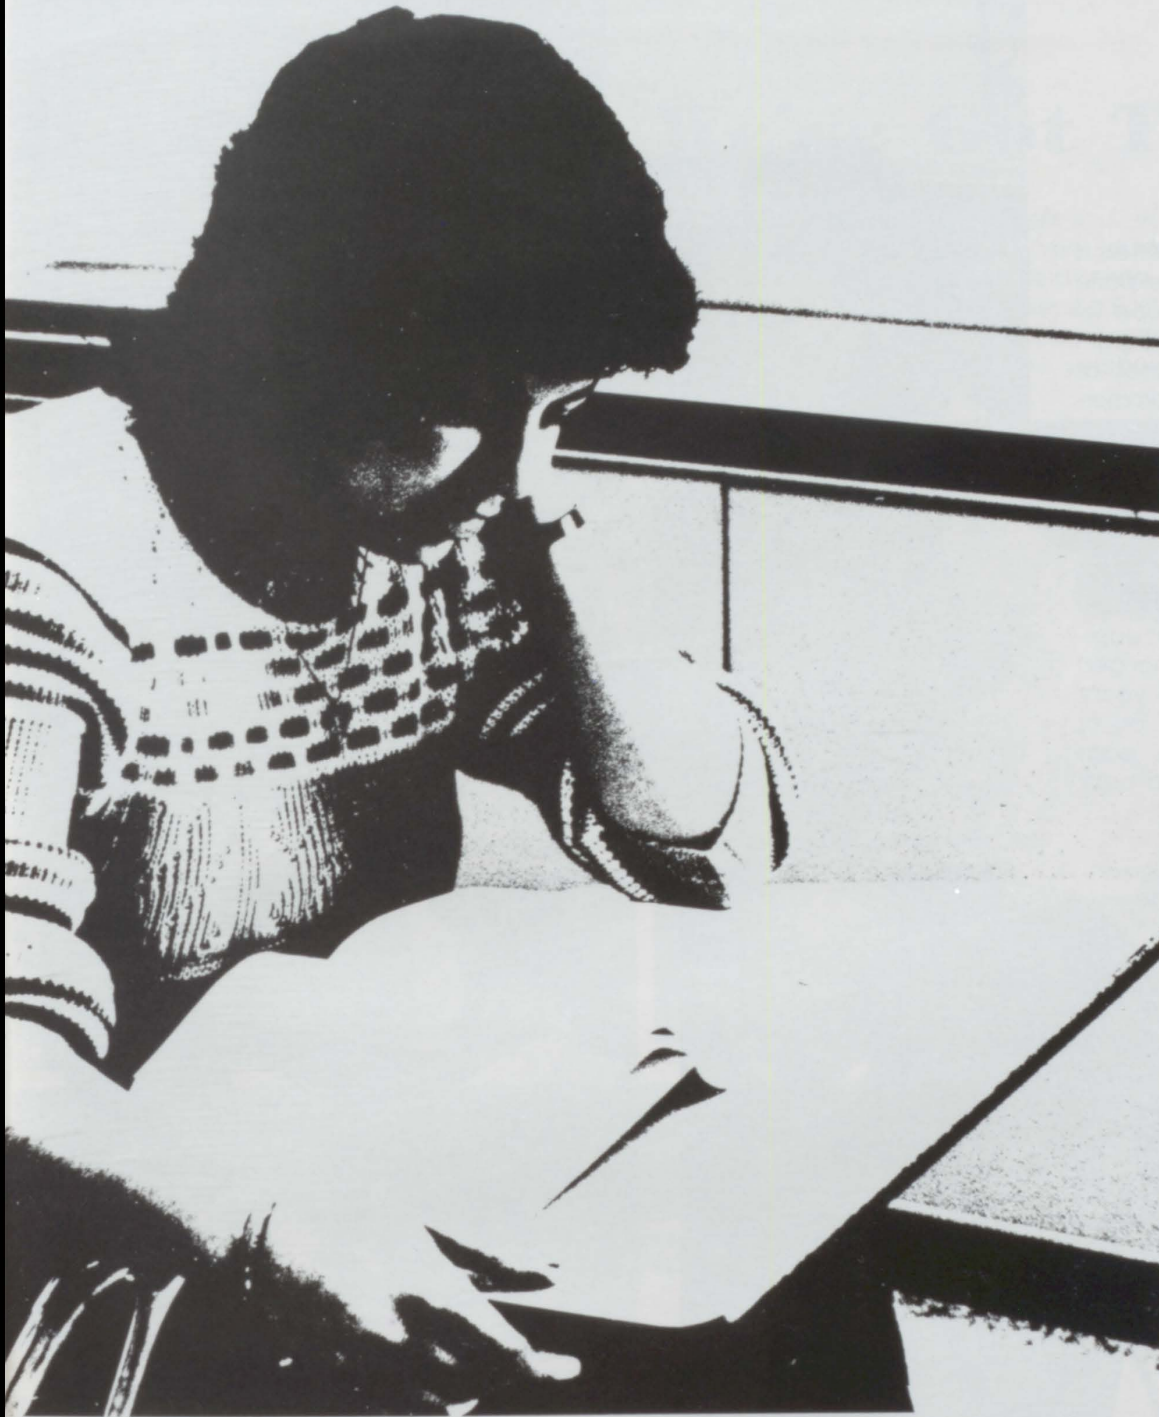

Ambassador Asencio was taken hostage in Columbia, in February 1980. He was held in captivity for sixty-one days. For his strength and courage he received many awards. Among them were the Georgetown University Constantine McGuire gold medal, the President's Award of the American Society for Public Administration, and the Department of State's Award for Valor.

Ambassador Asencio is married with five children. Currently he is the Assistant Secretary of State for Consular Affairs. Ambassador Diego C. Asencio, we salute you!

East Side High prepares its students for life. Through the knowledge of educational skills, standards of professional ethics and integrity students are prepared for a particular profession. East Side has helped develop us physically, mentally, emotionally, morally, and socially so that we will have success in our future endeavors.

Art: More Than A Box Of Crayons

Our art program offers a variety of courses to expand and explore our scope of knowledge. The program consists of such courses as Art Foundations, Commercial Art, Crafts, Studio Art, Photography and Art Survey.

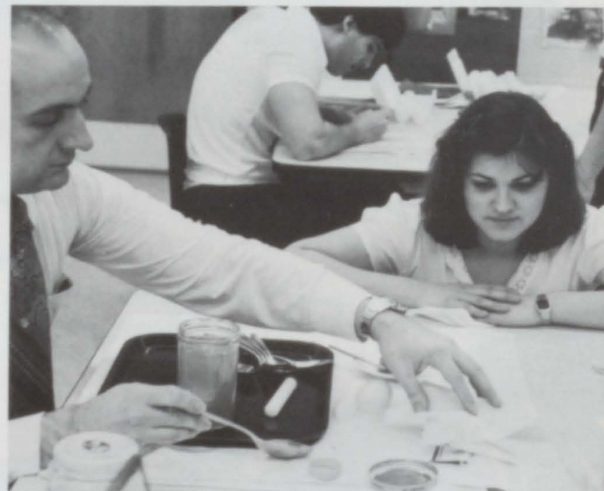

In the Art Survey class a special project was undertaken to develop an awareness and appreciation for the special craft of designing and decorating eggs. The technique has changed little in a thousand years. Pisanki is the old folk art of hand decorated raw eggs dyed according to a batik like process.

We've Got The Beat

Music helps to enlighten one's soul. Without our musical groups school would be very tedious, to say the least. Our band, Choir "J", and school orchestra all have a very special part in keeping East Side High in harmony. So for now, as the band plays on, let's continue our journey through the yearbook.

Our knowledge of mathematics is enhanced through our use of basic math skills, the metric system, computers and calculators. A new addition to our Math Department is Computer Math. Here students prepare for the world ahead.

Our Science Department leads us into the world of physics, astronomy, chemistry, geology, and botany. Knowledge in these subjects promotes interrelationships between theory and practice.

We've Got Technical Skills

Our Technical Department provides us with the opportunity to learn through experience, what lies ahead in the career world. The knowledge gained through these experiences will give us the "know-how" needed to prepare for the job market.

Business And English Keys To Success

The business world is forever expanding. Business courses such as Typing, Record Keeping and Stenography will enable us to apply skills for use in future employment.

Our English Department is more than spelling and vocabulary. Yes, our use of words do increase tremendously, but it is only through the help of the dedicated teachers that we achieve this goal.

In English, novels have been read, meanings have been conveyed, facts have been applied, and term papers have been written. Business and English are our keys to success.

Winning has become a great tradition among East Side's Athletic Teams. All our athletes are superbly coached and are taught to win. During our years at East Side we have seen many of our teams excel. Pride and determination have long been our trademarks. East Side's pride is often seen through our athletes and their winning attitudes. During our senior year at East Side we witnessed an exciting winning year, highlighted by the tennis team's undefeated season, the softball, soccer, and baseball teams' city championships and the consistency and dedication that mark all sports and athletes at East Side High.

We've Got A Terrific Girls Softball Team

Our girls, after losing to Barringer in our first meeting, came back to win 12 — 9 in the championship game, our last of the season. This was a great honor for our team for it was the first girls softball championship ever won by East Side. Our team also competed in the county tournament and for the first time ever participated in the state tournament losing to Union.

Our present seniors, outfield Sylvia Guzman who batted .576 highest on the team, recipient of the most valuable junior award was chosen on the third team all county; Cecilia Mota our brilliant shortstop who boasted the second highest average at .469; Leola Harrington our slugging designated hitter with four triples and four home runs who always came through when needed; Maria Sheldon our steady third baseman who was always constantly doing a fine job both at bat and at third base; and Anna Pelaez our utility player, always available when needed.

We've Got A Teed Off Team

The golf team enjoyed one its most successful seasons in a long time. It finished the season with a record well above par, 10 wins and 4 losses. Our very much improved golf team lost only to an undefeated Weequahic High School and very experienced Central High School team. East Side's golfers drove successfully to a highly respectable third place finish in the city. The team was a young one, but Coach Ruggeri was pleasantly surprised by exceptional performances by Tony Hall, Wayne Hayward, William Sanabria, and Armindo Rodrigues. All these players will be returning, making the team even stronger! The East Side Golf Team should make a strong run for the City League Title.

Team Shot: Tony Hall, Armindo Rodrigues, Derek Hayward, William Sanabria and Coach Ruggeri.

Team Shot: Front Row; Victor Pereira, Gus Belo, Manny Assena, Roger Soares, Rui Baptista. Back Row: Evaristo Nieto, Marcos Franco, Tony Fonseca, Manny Pimentel, Coach Kathryn Alexander.

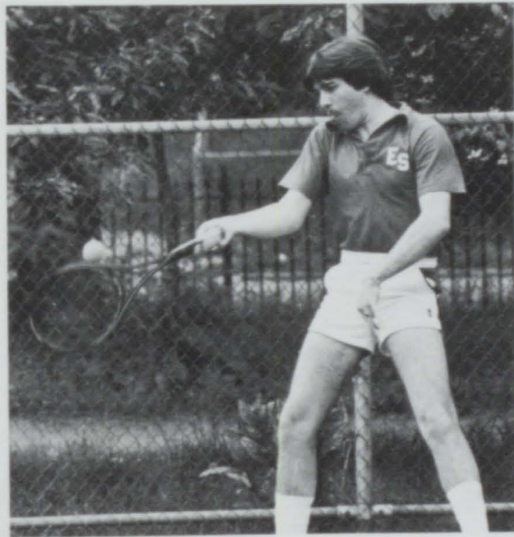

East Side High has a tennis team that captured the Newark City Title with a record of 14 wins and no losses. This remarkable record was set by a very enthusiastic team who practiced many long hard hours in order to achieve their goal of a City Title for the first time in nearly a decade. Coach Alexander expressed confidence in her team all through the season, and the team backed her words with their performances on the court.

Captain Manny Pimentel played first singles and had a 9 and 5 record against some of the city's best players. Victor Pereira had an overwhelming record of 12 and 2. The first doubles team was comprised of Co-captain Rui Baptista and Marcos Franco. They combined for the best record of the city.

When talking with this group of tennis players one cannot help but get the feeling that East Side once again is becoming a power in tennis.

East Side High's Football Team used this season as part of their rebuilding process. Most of the team was made up of a majority of underclassmen. The whole team showed its dedication through the rough season. Team spirit was often raised by the leadership of Captain, Joe Moreno and the outstanding playing of Benny Santiago. Charles Lee and Joe O'Neal also played extremely well for East Side. Coach Petrozzino as his young dedicated team will soon make East Side a winning football team.

The East Side Hockey Team had a very successful year, as they finished with a respectable 12-8 record. Senior Rudy Blozen, who was captain for three years, led the spirited team. Alan Gerlitz led the team in scoring and was third in the league.

The returning players show promise of continuing East Side's way on the ice. If the young players play up to their capabilities, and barring injuries, East Side might well bring home the championship.

The East Side Red Raiders basketball team showed a tremendous amount of spirit and potential. The young team was full of energy and drive, and was always ready to give their all in every game. The leader of the team and its most valuable player was Joe O'Neil who led the team in scoring and rebounding. Other seniors who paved the way for the younger players were Mike White, Charlie Lee, and Renard Mack. The team has most of its players returning, and these young and now experienced players should prove a pleasant surprise.

Building A Winning Team

Senior guard Felishia Washington scored an average of 21 points as the season finished with the team beating Barringer 52-44. She also averaged 20 rebounds and 6 assists per game. She was the teams most valuable player for 1981 and 1982.

Senior forward, Valerie Sommers did a good job on the backboards, averaging 15 rebounds per game. Senior Leola Harrington came on strong at the end of the season.

Underclassmen contributed much to the season. The 1982-83 season shows promise, as the team has gained experience. The girls basketball team, with a little luck, hopes to bring the championship back to East Side.

The East Side Cross-Country Track Team established itself as a powerful force in the state. Our Cross-Country Track Team had an outstanding year, finishing with 10 wins and 1 loss. Among their many accomplishments were: Second place in the city, Second place in the county, Sixth place in the State, and Second place at the Easterns Championship. Our powerful track team had great all around performances from all its members. The seniors, Carlos Lopes, Fausto Ferreira, Rudy Marrero, Carlos Esteves, and Elizabeth Dilla, led the way with great personal seasons. Carlos Esteves was the team's #1 man and most consistent runner. Combined with Varsity and JV teams we are the best ever.

Fausto Ferreira, Carlos Esteves, Rudy Marrero practice their running skills.

Our team had a spectacular indoor season. These young athletes ran with dedication, hard work, and a lot of enthusiasm which is our tradition in running at East Side High. Our team is led by seniors, Rudy Marrero, Fausto Ferreira, George Sanchez, Carlos Esteves, and Carlos Lopes. These runners have scored outstanding victories in superior competition, winning the two mile relay and distance medley in many quality meets. The future of our track team looks very bright. Coach Dickerson has been working hard with the team which is made up of predominantly sophomores and juniors. We extend our accolades to all these fine athletes who have established themselves as the best in the city, county, and state.

Sebastian Ferreira, Co-Captain and 3rd leading scorer in the State of New Jersey.

We've Got a #1 Team

Once again The East Side Soccer Team won the Newark City Championship with an astonishing over all record of 13 wins and 3 losses and 2 ties. Winning has become a tradition with Coach Neves and his soccer here at East Side, and this year's team is as good as any have been. Sebastian Ferreira was the leading soccer player in Essex county with 44 goals and the third leading scorer in the state. He was chosen to the coaches all county team for the second year in a row. On the defensive side of the field, East Side had another great player, John Maia. John was chosen to the second team all county and is recognized as one of the best defenders in the state. As a team, East Side scored 74 goals and suffered only 11 goals all season.

We're A Hit

Jose Matos snapping a throw to 3rd after a strikeout.

Our baseball team won The Newark City Championship. This is becoming a habit, for we won the city crown 3 years in a row. Besides being the best in the city, The East Side Baseball Team is also a dominant force in Essex County. They are always ranked among the top teams in the county. Our team is always full of young stars, and this year was no exception. Among them are Rick Gonzalez who had an astonishing season at bat, Benny Santiago, one of the city's best pitchers, and great all around performances by Felix Ruiz (2nd base), Pat Rufolo (1st base), Orbito Diaz (shortstop), and Luis Ramos (catcher). Tradition dictates that the Red Raiders continually field a fine team and this year's team was true to tradition.

In closing we must make mention of the death of our teammate, Jose Matos. Jose was very active in sports and a most valuable member of the team. We all feel his absence and he is missed.

East Side has a wide variety of clubs and groups which has kept our school on the move. The activities of these organizations has enabled many students to participate and live up to their potential.

Becoming involved in school programs is excellent activity for any and all students. As East Siders, we will always cherish our four years of high school and hold with fondest memories all activities which helped to enrich our lives.

Our Spirited Performers

Under the direction of Mrs. Glover, Choir J and Chorus have proven their talent. Hard work has developed their confidence and singing techniques. This determination has payed off. On December 17, 1981, The Christmas Concert was performed to a spirited audience. The singing proved their excellence as performers. Other performances of Choir J and Chorus include a Spring Production of West Side Story. This group of young people are stars in the making.

Yearbook Staff: Hardworking, Dedicated And Proud

With a staff of hard-workers, who were always willing to give their time and effort, the 1982 yearbook finally got together.

Headlines, captions, pictures, it all had to tie into our theme. We've Got It Here! What a job it was, the deadlines were met and the final copy was sent to the printers.

Our task was completed. The staff put together a yearbook for the class of "82".

We've Got Fun Loving People

As we entered Casa Stoia the room was bedecked with tables covered with red tablecloths and white napkins (our school colors). At each place setting was a small glass with East Side High School printed on it, and a scroll style menu. On one wall a large banner blazened with the words East Side written on it.

All the guys and dolls looked magnificent. The room was filled with rainbow colors as the girls swished by in their beautiful dresses. Each couple, if they wished, took a picture before the festivities began.

Food, food, and more food. The menu was beautifully planned. The buffet-style dinner consisted of Roast Beef, Virginia Ham, assorted cold cuts, cheeses, Green Salad, Potato Salad, Relishes, Manicotti, Chicken Murphy, Spare-ribs, Meat balls, and Dessert. Delicious, thanks to the chef at Casa Stoia.

Music filled the air with youth's sweet romance, and the wild pulsating rhythms of disco and punk rock. Students and teachers alike danced the night away. This proved our "Together" theme was a reality.

As Proms go, we all had a marvelous time. This date, May 1, 1981, will be one of our cherished memories.

Medieval Festival 1981

The sixth annual Medieval Festival was held on Tuesday, December 8, 1981. Titled "Excalibur Revisited," this production was presented by Mrs. Matarazzo's Honors and C.P. English classes.

The students worked dilligently. Costumes were prepared from original Medieval designs and authentic food was served. The play was taken from "King Arthur and the Knights of the Round Table." The actors and actresses did an excellent dramatization of this historical era.

Our years at East Side would not be complete without our Administration and Faculty. Through their hard work and dedication, they have instilled us with useful knowledge and guided us over the lumpy road to graduation. They have been a big help to us. With them around, school was much more enjoyable.

Mrs. Cardiello Named New Principal

During mid-year we saw the transfer of Mr. Megaro to a new position at the Board of Education. Mrs. Cardiello, Vice-Principal became our new principal. We wish them both much success in all their endeavors.

Our Vice Principals

Mr. Sena

Mr. Martin

The strength of our school lies among our Vice Principals, Mr. Sena, Mr. Chagnon, Mr. Martin, and Mr. Wujciak.

Mr. Sena helps the Senior Class in any way he can. He participates earnestly in senior activities and conducts the planning of graduation.

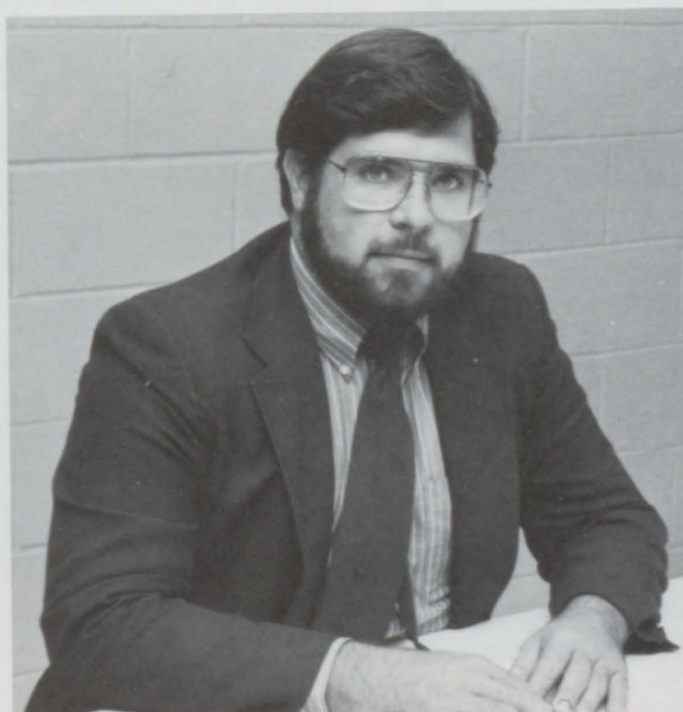

This past year, Mr. Chagnon has succeeded in improving the cafeteria lunches. With the help of an advisory committee of faculty, cooks, nurses, and students, he responded to the need for change.

Mr. Martin is respected by the entire administration as well as the students. He has helped us in many ways, and his understanding has been of great assistance to the school.

Mr. Wujciak our newest Vice Principal is in charge of discipline. He is working very diligently.

Ferreira Makes All-State Boys Soccer Team

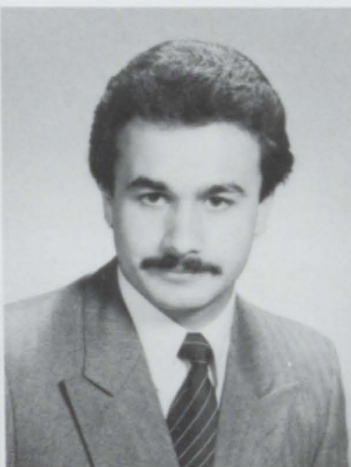

Sebastian Ferreira used his exceptional skills to set a school record, and led the county in scoring with 44 goals. The senior striker, who also had 15 assists, was best at lofting a soft shot over an oncoming goaltender into the net. The best of luck to this extraordinary player.

The Torch Ceremony

Graduation can not be complete without the "passing" of the Torch by the Senior Class President to the Junior Class Officers. The importance of this tradition is exemplified through the pride and responsibility carried out by every graduating class. At East Side High, the Torch will always burn bright.

Class of 1982 officers, proudly receive the Torch.

The togetherness of a graduating class is considered hard to achieve, but the Seniors of 1982 have proved that it can be done. Our spirit and pride were not only displayed during school hours, senior parties were held after hours. The Halloween party held on November 7, 1981 brought out everyone's inhibitions. Food, drinks, music and dancing were the highlight of the party. The imagination, creativity and craziness of the seniors was shown by the variety of costumes. Let's hear it for the good times!

Final Thoughts . . .

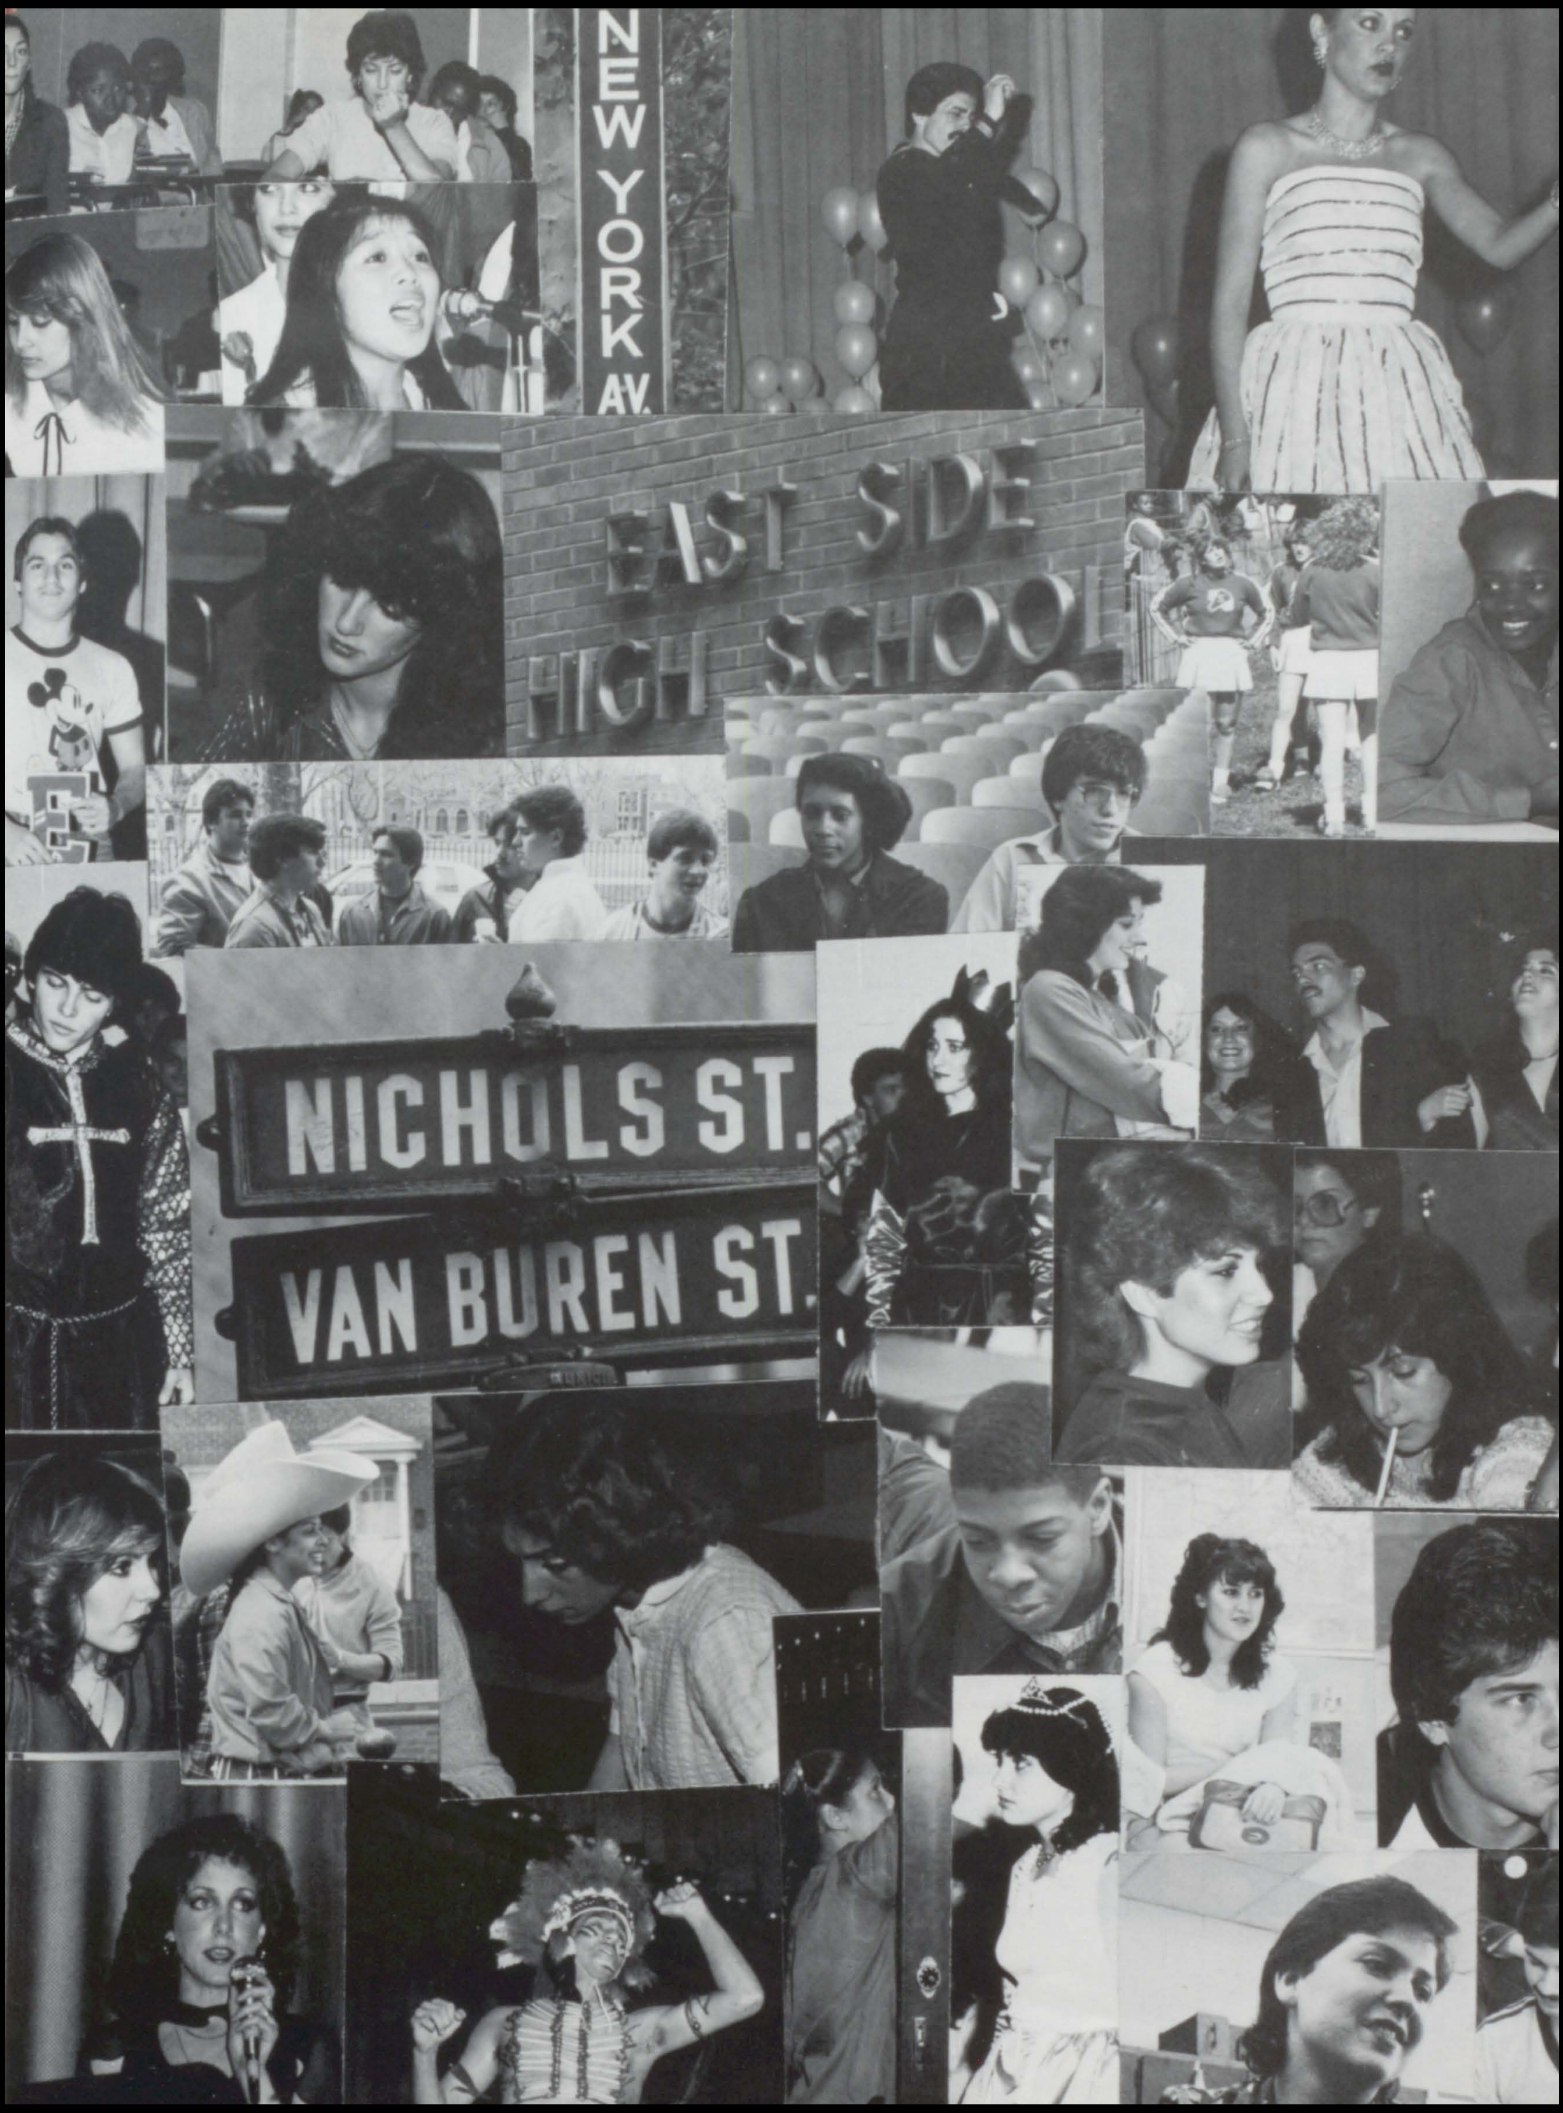

In September 1978, we entered East Side High School in uncertainty and with anxiety. At first the endless stairs, various classrooms, and numerous halls kept many in a daze. However we fell into the daily routine with little trouble. As freshmen, we set the foundation for the remaining years at East Side.

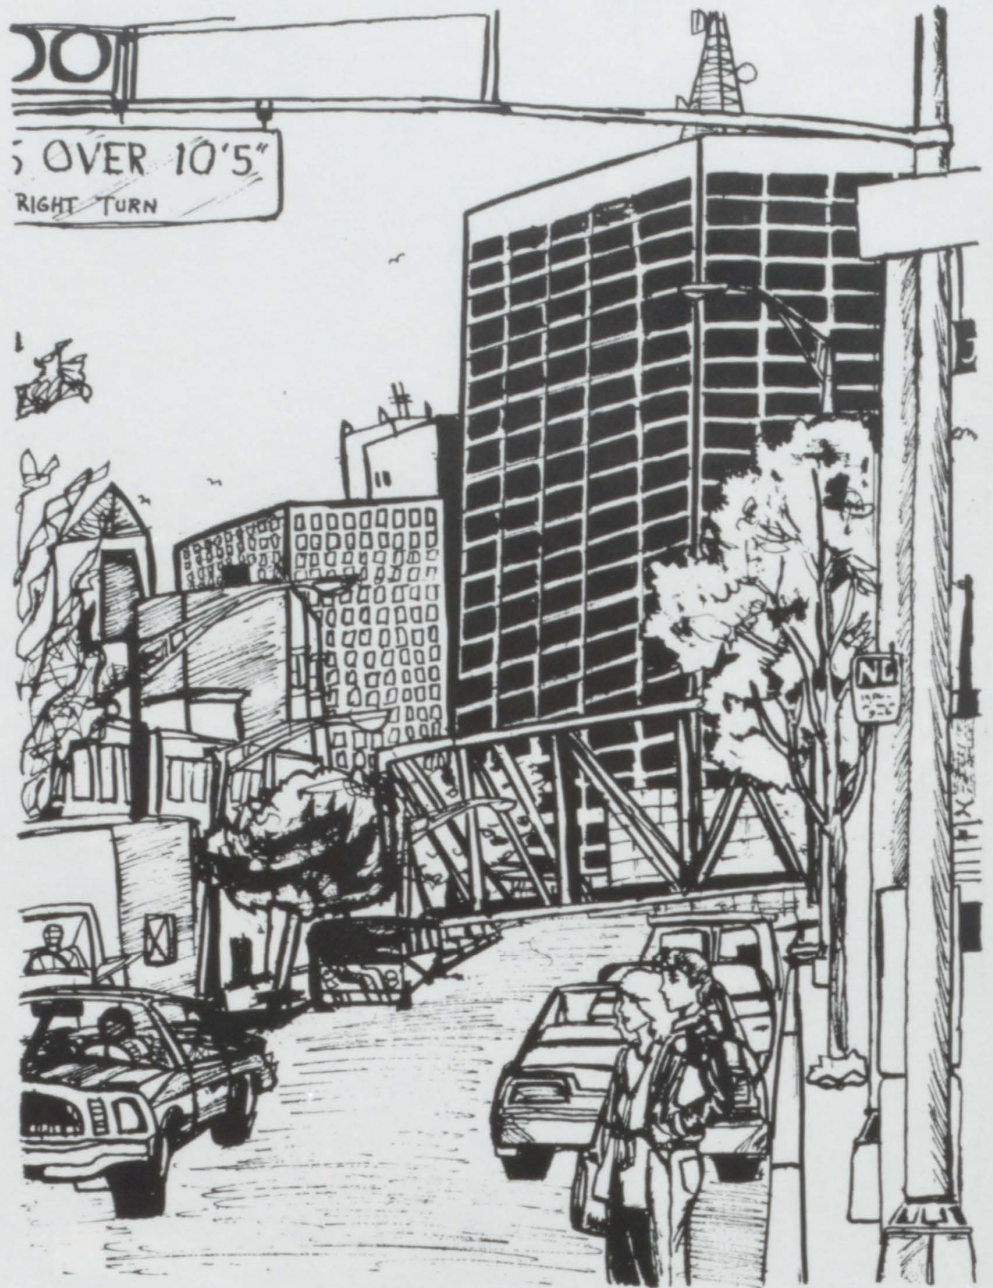

Our Sophomore year rolled by, along with laughs and lightheartedness. We were all ready and willing to take on responsibilities as a unified class.

Our Junior year came quicker than expected. Half of our high school days were gone and the other half glittered with fun, knowledge, and many promises.

We did not realize it until our last month how precious our final year as Seniors would become.

When graduation arrived, tears glistened in all our eyes, as we were handed diplomas. For the first time in our ageless lives, we were on our own. After graduation, we will all go our separate ways, but we will still be joined by the bond of friendship and the memory of being the graduating class of 1982.

C o m m u n i t y

1982, a year of memorable happenings, a year of world events, our Senior year. The events which touched our lives were of mixed emotions. 1982 made us aware of floods, strikes, mudslides, assassinations, accomplishments, weddings, and victories.

Our Senior year held something eventful for each of us that we shall never forget.

Portugal Day Celebration

The "Ironbound" section of Newark consists of a diversity of ethnic groups. Many immigrants from Germany, Italy, Poland, Portugal and Spain have made this area, truly a melting pot.

Many events hi-light the variety of cultures. One such event is the annual Portugal Day celebration. Held during the summer month of June, this festival includes displays of Portuguese crafts, music, ethnic foods, amusements, and fireworks. The start of the gala event was a parade held along Ferry Street. Our marching band, colorguards, cheerleaders and twirlers commemorated this special day.

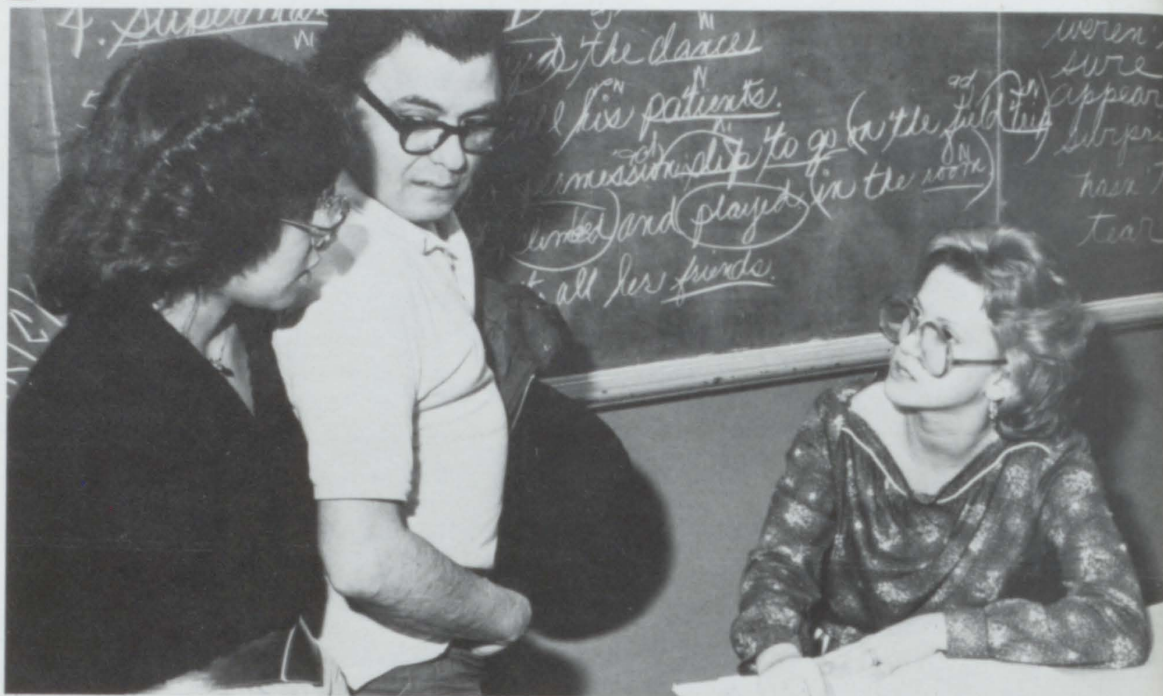

The pride and joy of East Side.

Open House Starts The Year

Mrs. Leonardis in conference with parent during open house.

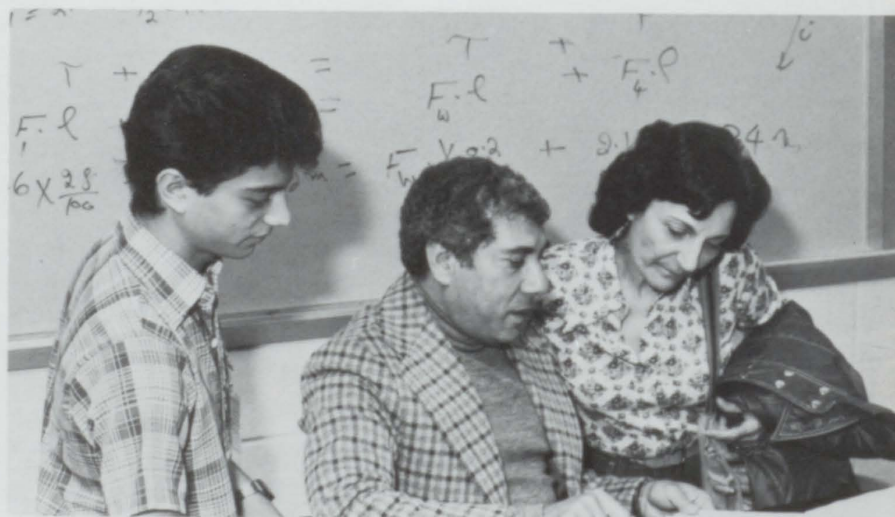

"Open House" is an opportunity for parents to meet their children's teachers. The night is geared toward discussion of academic progress, problems, suggestions, and an overall view of a student. Parents and teachers are able to communicate on a one to one basis.

Mrs. Tonzola discussing report cards with Mrs. Pellerito during open house.

Carmen Nunez and Mr. DeNoia in an animated discussion.

Mrs. Galaski and son Anthony visit with Mr. Andraous to discuss his progress.

Chinese Auction Held to Raise Funds

The Chinese Auction is sponsored by the East Side Parents, Teachers, and Students Organization. The purpose of this affair is to raise funds for scholarships for graduating seniors. It is a night the community enjoys refreshments and the bidding for articles of their choice.

Senior girls helping to organize the raffles.

During this year as we prepared our Yearbook we received help and many kindnesses from a large number of people. Without this assistance and support, the yearbook production would have been much more difficult. We thank the following people for their help, consideration and special understanding. Mrs. Maria Cardiello, Principal and Mr. Angelo Sena, Vice-Principal.

In addition, special thanks to Mr. Petrucci, our publishing representative, and Ms. Vetter, Mr. Costich and Mr. Roome from the Lorstan-Thomas Studios for their concern and assistance.
